COURSE INFORMATION

The Motor Vehicles Act was made out in the year 1988. However, the penalties it contained were never enough and thus there was very dull execution of the law. The number of road accidents India faces are a perfect epitome of the same. However, the recent Amendments brought out in 2019 have proved to be a game changer, wherein a lot of penalties have grown anything but tenfold and further.

We at The LAW Learners believe that it is imperative for a law student to successfully comprehend the recent amendments. The recent amendment would make litigation in MV law, a very fruitful and lucrative area.

The Course shall help you understand,

- Penalties under MV Act 1988
- Provisions of the 2019 Amendment
- Effective Implementation of the Amendment
- Will the Amendment suffice
