COURSE INFORMATION

The International Monetary Fund (IMF) is an organization of 189 countries, working to foster global monetary cooperation, secure financial stability, facilitate international trade, promote high employment and sustainable economic growth, and reduce poverty around the world. The IMF's primary purpose is to ensure the stability of the international monetary system—the system of exchange rates and international payments that enables countries (and their citizens) to transact with each other. IMF being a very important part of the World Economy, it is vital to develop a precise idea of its working.

We at The LAW Learners bring this course with an aim to make the takers aware about the working and functioning of the IMF which is indispensable need of the hour.

The Course shall help you understand,

- Concept of International Monetary and Finance System
- Need of the Bretton Woods Conference and IMF
- Role and Functions IMF

ASSESSMENT

The Assessment of course takers shall be based a Short Assignment consisting of Analytical Questions. There shall be a total of 5 Analytical Questions of 10 Marks each, which the

course takers would have to submit on the conclusion of the course. This ensures that the participants have learnt a substantial part of the course content.

Passing Marks - 25

COURSE ENGAGEMENT

Students would be expected to give at least 1-2 hour per day to successfully complete the course. The Course is self paced.
