COURSE INFORMATION

Media & Entertainment law encompasses various fields including Intellectual Property Law, Corporate Law, Information Technology, Broadcasting and Telecommunications. With the advent of technology, the entertainment industry has grown leaps and bounds engaging diverse aspects and thereby attracting myriad issues. Today, the entertainment industry disseminates content on a wide variety of platforms, which include television, radio, social media, online streaming amongst others. Due to this, the structure and components of Media & Entertainment industry have gone through a tremendous transformation.

With our interdisciplinary research in this growing scenario of Media and Entertainment Law, we, at The LAW Learners aim to discuss various domains of this law in current Indian scenario ranging from Copyright protection, legal implications inter alia.

The Course shall help you understand,

- Nuances of Media law in India
- Regulation of Entertainment industry in India
- Is the current media law enough for the nation?
