COURSE INFORMATION

A draft of the Personal Data Protection Bill, 2019 ("Bill") was introduced before the Lok Sabha on December 11, 2019 which is largely based on the proposed draft of the Personal Data Protection Bill, 2018. The Bill is broadly based on the principles of the General Data Protection Regulation, and the landmark judgment, Justice K.S. Puttaswamy v Union of India, wherein right to privacy was upheld as a fundamental right under the Indian Constitution.

Since the bill involves various key features like -

Rights of Individuals

Grounds for Processing Data

Data Protection Authority

Trans boundary movement of Data,

it becomes important to understand its working and functioning, and hence The LAW Learners proposes this course. The course shall help you understand,

- Need of the Act
- Salient features of the Bill
